B. SUBBA RAO, *Executive Engineer.*

MYSORE PUBLIC WORKS DEPARTMENT.

(ELECTRICAL BRANCH.)

Bangalore Power and Lighting Scheme.

Dated 5th May 1904.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer to the Government of Mysore, up to 31st May 1904, for constructing three buildings in connection with Bangalore Power and Lighting Scheme, in Bangalore.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of October 1904.

2. The plans, detailed estimate, and conditions may be seen at the Chief Electrical Engineer's Office at Bangalore, between the hours of 2 and 4 P.M. on all working days.

3. Tenders should be submitted on printed forms which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for Buildings in connection with Bangalore, Power and Lighting," in default of which tenders will be rejected.

5. The first acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. Competitors, whether successful or not, will be notified of the acceptance or otherwise of their tenders in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.
